## Inspiring Wonders of the Island

Spend an idyllic afternoon exploring Bermuda's natural beauty and learning about wildlife. Your experience begins with a sightseeing drive, enhanced by your driver's local knowledge. Then, open yourself to encounters with the wonders of the animal kingdom, during a stop at Bermuda Aquarium, Museum & Zoo, where the mission is to inspire appreciation and care of island environments. Discover more than 200 species of fish and delicate marine invertebrates that thrive in shallow coastal waters. Be dazzled by displays of over 300 birds like chattering cockatoos and pink flamingos. Glimpse colorful Madagascar reptiles and meet mammals from oceanic islands, all housed in lush naturalistic exhibits that evoke your curiosity. Then, relax amidst the enchantment of picturesque bays and pretty pastel Bermuda houses dotting verdant hillsides during a drive around Harrington Sound. Your journey of wonder continues at Crystal Caves of Bermuda—one of the island's largest and most dramatic cave systems. Descend 81 steps into the caves and experience breathtaking views. Immersed amongst mysterious crystalized stalactites, gaze at the caves' astounding deep azure lakes, then follow the same steps for your ascent out of the caves. The scenic return drive along the Great Sound is a perfect moment to reflect on all you've experienced.
